Register Receipt #: _____ Bars Code: **401-245104**

Project Number: _____ Project Name: _____

Project Address: _____

Hydrant Location: _____

Applicant Information:

Business Name: _____ Fax #: _____

Contact Person: _____ Phone #: _____

Email: _____ Cell #: _____

Billing Address: _____

Bi-monthly billings will be mailed for base fees and consumption.

Fees:	$2500.00	Deposit for water flow meter assembly
	$460.82	Base fee for water usage per month
	$2.69	Per 100 cf up to 1,000 cf of water used
	$3.53	Per 100 cf for 1,001-2,000 cf of water used
	$4.22	Per 100 cf for >2000 cf of water used
	BILLED ON A BI-MONTHLY BASIS per the yearly fee schedule and utility rate	

This permit authorizes water removal from this hydrant location only and may not be used for any other location.

- I understand, that the use of this meter and water is subject to the same collection and lien procedures under the law that regulates the water districts as provided in Sumner Municipal Code 13.24.
- I understand that the City of Sumner is not responsible for water quality after it leaves the City of Sumner hydrant and I agree to hold the City of Sumner harmless for any water quality problems that may occur after the hydrant.
- I further agree to protect the meter and the service where meter connects against damage and assume financial responsibility for the repairs made by such damage, or theft or loss of meter, including but not limited to damage caused by exposure to freezing temperatures.
- In the event of failure to pay the billing in the time specified above, the below signed agrees to pay all costs of collection, including reasonable attorney fees and costs. If signing as a corporate official, the below signed agrees to be personally liable for the billing.
- I understand that the cost of replacing a meter is approximately $8,000.00.
