

NOTICE OF APPLICATION

NOTICE IS HEREBY GIVEN that the City of Sumner Environmental Official has received a SEPA Checklist and application for the project described below.

Project Name: Salmon Springs Phase II
Permit Application No: PLN-2018-0024
Location: East Valley highway, 46th St Ct E, 153rd Ave Ct E, 45th ST Ct E, 46th St Ct E, Parker Rd and gravel access Rd north of Parker RD. Work to be completed in existing City of Sumner Right of Way, private easements and existing gravel access located in right of way.

Description of Proposal: Construct a new water main line from the existing chlorination compound located along the existing gravel right of way continuing north from Parker RD. The water line will continue south to Parker RD and move adjacent to existing residential roadways before connecting into the line at East Valley highway. This project will use open trenching for the installation of the main line with the exception of the crossing at Salmon Creek where the line will run over the creek at an above grade crossing.

Applicant: Ted Hill, City of Puyallup 333 S Meridian, Puyallup, WA 98371

Date of Application: 04/13/18 **Date of Complete Application:** 05/31/18

Date of Hearing: None

SEPA: An MDNS will likely be issued.

Zoning: Low Density Residential 12,000 (LDR 12)

Associated Documents: <http://sumnerwa.gov/category/public-notices/>

Comment Period(s): Opens June 7, 2018– Closes June 21, 2018

Other Required Approvals: Civil permit and compliance with other applicable county, state, and federal standards.

Any persons desiring to submit written comments concerning this application may submit written comments to the City of Sumner, Attn: Scott Waller, 1104 Maple Street, Suite 250, Sumner, WA 98390

by the above deadline(s). There is no public hearing for this application. Please call the Community Development Department at 253.299.5527 for any questions regarding the above application.
