HUNT AVENUE RECONSTRUCTION

October 2025

CITY OF SUMNER
REQUEST FOR QUALIFICATIONS FOR PROFESSIONAL SERVICES
FOR HUNT AVENUE RECONSTRUCTION

The City of Sumner solicits interest from consulting firms with expertise in providing professional services in the area of civil engineering and municipal public works Projects in utility design and roadway design services for the preparation of engineering design plans, specifications, cost estimates, and construction bid documents for the roadway reconstruction and the replacement of water, sewer, and storm utilities on Hunt Avenue from West Main to the north side of State Street as shown on the City of Sumner Transportation Improvement Plan. Current funding sources are local funds. Services are expected to last 10 months with the option for the City of Sumner to extend further for additional time and money if necessary.

The City of Sumner reserves the right to retain the services of responsive and qualified firm(s) for subsequent phases associated with this project including but not limited to Construction Management services.

Consultants will be considered for the following project.

The City of Sumner reserves the right to amend the terms of this “Request for Qualifications” (RFQ), to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses.

Aspects of this project may be subject to WA State Prevailing Wage rules, filings and requirements.

Project Scope of Work

The anticipated tasks for the project are summarized below:

- **Preliminary Design Data Collection:** Consultant team shall collect all necessary data and information for the successful completion of this project. Data may include, but not be limited to, existing site conditions, geotechnical data, utility locations/conditions, adjacent property restoration needs, utility relocation coordination and determining ADA requirements. Survey data (topography and existing utilities).
- **Low Impact Development Feasibility:** Consultant team shall evaluate feasibility of LID techniques like pervious pavement and bioretention using the currently adopted stormwater manual.
- **Project Design and Specifications:** Consultant team shall prepare preliminary and final engineering Plans and Specifications at the level of 30%, 90% and 100%. Consultant team shall prepare final bid document package by the Ad date outlined in the schedule. City staff shall review and provide comments after each level of effort.
- **Estimated Project Cost:** Consultant team shall prepare an estimate of probable cost for the construction phase of the project at the 30%, 90% and 100% levels.

Schedule

The City will meet with the selected firm shortly after notification of selection to develop the scope and fee. The Contract is expected to be Awarded in January/February 2026 with design to be completed in 2026.

Evaluation Criteria

Submittals will be evaluated and ranked based on the following criteria:

- 1) Qualifications/expertise of the firm with public works infrastructure; experience with projects of similar complexity and function.
- 2) Qualifications/expertise of the proposed project manager and key staff members
- 3) Consultant's approach to the City's project as demonstrated in a description of their approach to the work.
- 4) Familiarity with WSDOT/FHWA standards, WSDOT LAG Manual, DBE requirements, City of Sumner standards, relevant codes, and City planning requirements.
- 5) Ability to perform high quality work, control costs, meet schedules, prepare documentation, and ensure project commitments are met.
- 6) Past Performance/Reference

Selection Procedure

After the deadline for acceptance of proposals, the Statement of Qualifications (SOQ) will be reviewed and evaluated by an Evaluation Committee comprised of, but not limited to, City staff, appointed or elected officials, and individuals chosen by Public Works staff to participate. The Evaluation Committee will rate written proposals based on the evaluation criteria listed above. Initial SOQ reviews are expected to be completed by December 8th.

The City may select directly from the SOQs or interview the top firms as ranked by the Evaluation Committee. If interviewed, the information from the interviews along with feedback from references will be incorporated into the final rankings. If interviews are conducted, they will take place on either December 15th or 16th.

If a contract cannot be negotiated with the top ranked firm, the City will contact the next firm in line and attempt to negotiate with that firm. The process will be repeated until an agreement is reached.

Format

The SOQ should describe the composition of the proposed team, the qualifications of the key individuals identified on that team, and the relevant experience of the team on similar projects. Respondents may include subconsultants within their project team.

The Consultant's SOQ should include the following information:

- 1) The proposal should be accompanied by a brief introductory letter stating your firm's interest in the project;
- 2) Provide resumes of no more than three (3) key members of the proposed project team inclusive of key subconsultant(s) who will work on this project;
- 3) List projects of similar complexity and magnitude undertaken and completed in the past ten (10) years and provide references and a phone number for each reference;
- 4) Reference projects should list the involvement of proposed project team members for whom resumes have been submitted; and
- 5) Please include a statement of assurance that listed team members, including those of subconsultants, will not be replaced without prior approval of the City.

The SOQ should consist of no more than eight (8) pages. The cover letter, resumes, front and back covers, and section dividers will not be counted in the eight (8) page limit.

Submittal Deadline:

Please submit an electronic version of your Statement of Qualifications in a single .pdf document by email or other electronic means to bids@sumnerwa.gov no later than **10:00AM on Tuesday, November 25, 2025**. Hard copy submittals are not required. Any proposal received after the specified date and time may be rejected and may not receive any further consideration by the City. Postmarks will not be accepted. All questions regarding this solicitation should be directed to City Engineer, Alisa O'Haver-Ayala, at (253) 299-5703 or bids@sumnerwa.gov.

Americans with Disabilities Act (ADA) Information

The City of Sumner in accordance with Section 504 of the Rehabilitation Act (Section 504) and the Americans with Disabilities Act (ADA), commits to nondiscrimination on the basis of disability, in all of its programs and activities. This material can be made available in an alternate format by emailing bids@sumnerwa.gov or calling (253) 299-5703.

Title VI Statement

The City of Sumner, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award."
