

12 And Beyond

Behavioral Health PHP/IOP Discharge Plan
1230 Fryar Avenue, Sumner, WA 98390

A. Proximity and Access to Services

The facility is located in an area that provides access to:

- Public transportation services.
- Medical providers and hospitals.
- Mental health and substance use disorder treatment resources.
- Employment and vocational support services.
- Recovery support meetings and peer-support services.
- Community resources and social service agencies.
- Restaurants, retail services, and pharmacies.

The location supports treatment participation while allowing clients access to community resources necessary for successful recovery.
